On July 1, 2011, Arizona Public Service Company ("APS") filed for approval of its 2012 Renewable Energy Standard Implementation Plan (the "Implementation Plan") with the Arizona Corporation Commission (the "ACC") in Docket No. E-01345A-11-0264 (the "Docket"). Arizona Solar Energy Industries Association ("AriSEIA"), by and through its undersigned counsel and pursuant to R14-3-105, hereby respectfully requests that the ACC issue an Order granting it leave to intervene in the Docket. In support of this Motion AriSEIA states the following:

1) AriSEIA is a non-profit trade association representing local, national, and international solar companies from all industry segments in the Arizona market;

2) The Implementation Plan includes numerous provisions that will substantially and directly impact the policies, economics and mechanics of the solar business for AriSEIA's members;

3) The outcome of the Docket will directly and substantially impact AriSEIA and the business of AriSEIA's membership in Arizona; and

4) Granting AriSEIA intervenor status will not delay this proceeding, unduly broaden the issues or prejudice APS, and no other party can adequately represent AriSEIA's interests in this matter.

Service of all documents or pleadings should be made to AriSEIA counsel at the following address:
